Food Preparation

taylor's
eye witness since 1838

Taylor's Eye Witness was founded by John Taylor in the early part of the 19th Century. They have stood the test of time through an unrelenting dedication to quality, service and good old fashioned technical know-how in the design and production of kitchen knives and scissors. What they don't know about knives isn't worth knowing!

Taylor's Eye Witness Limited, Eye Witness Works, Milton Street, Sheffield, S3 7WJ, UK

FTF1006
MULTI MANDOLINE

This clever piece of kit slices, juliennes & grates in one. With four interchangeable stainless steel blades and a handy storage container, this makes light work of a multitude of food preparation tasks. Includes adjustable slice depth, finger guard and non-slip feet.

Dishwasher safe.

FTF901
SALAD SPINNER

Our salad spinner is not just for drying salad: the integral fill and drain spout makes it great for washing and dressing too! Includes locking lid, high speed geared mechanism and removable basket.

Dishwasher safe.

FTF870-1
ROTARY GRATER

This easy to use rotary grater includes two interchangeable drums for fine and coarse grating, and an extra large grate area for fast results.

Dishwasher safe.

FTF823
MULTI CHOPPER

The multi-chopper includes a clever rotating blade mechanism for quick, easy and consistent mincing of herbs, nuts and vegetables. Great for garlic too!
