Pocket Knives

- Hand made in Sheffield by skilled craftsmen
- Lifetime guarantee

Taylor's Eye Witness penknives, farmer's knives and stock knives have been a treasured possession throughout the world for over 150 years and are still made by hand in Taylor's Eye Witness' Sheffield factory.

Made to the same exacting standards as they always were, we offer a lifetime guarantee on each knife.

taylor's
eye 
witness since 1838

Taylor's Eye Witness was founded by John Taylor in the early part of the 19th Century. They have stood the test of time through an unrelenting dedication to quality, service and good old fashioned technical know-how in the design and production of kitchen knives and scissors. What they don't know about knives isn't worth knowing!
